

ENERGY NORTHWEST NEWS

Excess Equipment Available for Bid

Linda Parrella, *Contracts Lead*

Energy Northwest is selling older used vehicles and equipment, and invites employees to bid on these items through Sept. 21. Only Energy Northwest employees may bid on the items in this sale; contractors may not participate.

Employees must e-mail one-time, confidential bids to Linda Parrella at Imparrella@energy-northwest.com by 4 p.m. Sept. 21.

The excess equipment is located just to the west of the vehicle barrier wall at B-183 (vehicle maintenance shop). Employees with

specific questions about the vehicles or equipment listed below, should contact Joel Anderson, Craft & Maintenance supervisor, at ext. 8597.

The equipment is being offered "as-is" and without any warranties. Employees will be notified by Sept. 23, if they are the highest bidders.

The following three items also are available for bid: cub cadet lawn tractor, leaf vacuum and spray tank.
